SUBJECT: Inclusion of Mr. [REDACTED] Briefing
in Additional Training Courses

1. DTR has suggested to Mr. [REDACTED] that the latter's
presentation (on records retrieval) be incorporated into three courses:

- a. CSR (now in effect);
- b. The Ops Course for JOT's;
- c. The Ops Familiarization Course.

2. Please ask [REDACTED] if he will accommodate OTR in this and
arrange to have this presentation included in the programs.

I discussed this with [REDACTED] 28 July. He says he will be
glad to accommodate us. During the next running of the CSR he will
add material on his Walnut system in the block of instruction routinely given
to him ~~and~~ RI. He is already working with [REDACTED] on a period of
instruction for the Ops Course. Joe had offered a period of approximately
two hours for the Walnut presentation and Walter is asking for a full day
to cover the whole records problem. When this is worked out and he has
developed the material for the JOT course, he will prepare a condensed
version of this for the Ops Fam Course. As yet, neither he nor I have
talked with the Ops School about the block of time to be allowed for
this subject, but we will.

[REDACTED] to speak for an hour in Nov to JOT's. [REDACTED] is ~~definitely~~
unenthusiastic about this presentation and suggests *rewording* ~~action~~
on Ops Fam Course until we see what happens. WFF
